Mentee Expectations

Please confirm your comfort level with the following.

	Very Comfortable	Comfortable	Not comfortable at all
Scheduling recurring meetings with your mentor			
Committing a minimum of three sessions up to a maximum of six sessions over the course of the rest of the calendar year			
Prior to each meeting, creating an agenda summarizing the topic(s) you would like to cover			
Set next steps at the end of each discussion and clarify responsibilities			
Following each meeting, send a note to your mentor describing how you benefitted from the conversation			

Mentorship Format

We recognize that mentorships work well in in-person settings and attempts will be made to match mentors / mentees in the same locale. However, we also support virtual mentorships, particularly to accommodate for those CCSA Members located outside of Toronto and Montreal. Please let us know if you have any comments or concerns regarding a potential virtual mentorship.
