## Areas on which you would be best suited and most comfortable to advise

This can be expressed as functional (e.g. marketing, finance), sector-based (e.g. broadcasting, production), goal-oriented (e.g. career growth and guidance, change management) or any / all of those distinctions.

### **Mentee Expectations**

Please confirm your comfort level with the following.

| ,   | Very<br>Comfortable | Comfortable | Not<br>comfortable<br>at all |
|---|---------------------|-------------|------------------------------|
| Mentors should value learning, have an eagerness to invest in and develop others, be active listeners, practice empathy, come prepared - and excited! - to share their professional learnings |                     |             |                              |
| Committing a minimum of three sessions up to a maximum of six sessions over the course of the rest of the calendar year   |                     |             |                              |
| Think about your professional legacy and share your industry knowledge and contacts   |                     |             |                              |
| Grow and develop professionally   |                     |             |                              |

#### **Mentorship Format**

We recognize that mentorships work well in in-person settings and attempts will be made to match mentors / mentees in the same locale. However, we also support virtual mentorships, particularly to accommodate for those CCSA Members located outside of Toronto and Montreal. Please let us know if you have any comments or concerns regarding a potential virtual mentorship.
